This event will benefit Project Hope Foundation's lifespan of autism services.

# Project HOPE Foundation

A Lifespan of Autism Services

## **2026 PROCEEDS BENEFIT PROJECT HOPE FOUNDATION HELP PROVIDE A LIFESPAN OF SERVICES TO THE AUTISM COMMUNITY**

---

Project Hope Foundation began in 1997, founded by two mothers, Lisa Lane and Susan Sachs, who were searching for meaningful services for their young sons with autism.

As the prevalence of autism had grown to 1 in 31, their mission grew as well which is to provide a full lifespan of autism services across the spectrum with four core programs: therapy, education, adult services, and community engagement.

Project Hope Foundation is the largest autism service provider based in South Carolina, impacting over 1,000 people each year. To sustain this work, they must raise approximately \$2 million annually to bridge the gap between Medicaid reimbursement rates and the actual cost of providing high-quality services.

# BOOGIE IN YOUR BOW TIE

## HISTORICAL REVIEW

The GCMSA had its inaugural Boogie In Your Bow Tie Mother-Son Dance at the Runway Cafe Hangar to benefit Serenity Place/The Family Effect in 2019.

Once tickets were made available for purchase on Eventbrite, the event **SOLD OUT** in **THREE** days with a waitlist. This incredible result was possible by advertising by word-of-mouth and through marketing on all our social media platforms.

With 90 moms and 116 boys ages 5-12 years old in attendance our inaugural year, the Mother-Son Dance was a huge success and the GCMSA decided to make this an annual event.

In 2020 COVID hit and we unfortunately had to cancel BIYBT that year. The GCMSA finally brought back this popular fundraising event in 2023 with proceeds benefitting the Michael Blake Foundation. With your help, we hope to make BIYBT 2026 even more successful!
